BSRA No. 26 - EEMAN SCREENS, THE BALANCING CIRCUITS

The polarity of parts of the human body has been a well kept secret of Occult Science for thousands of years. The upper part is positive, the lower negative, right hand positive, left hand negative; but it took the borderland research of Englishman L.E. Eeman, 40 years ago, to prove that vitality or human ectoplasm flows like electricity! He showed conclusively that unhealthy spiritual, mental, emotional and physical states can be brought into balance by hooking up the positive and negative areas with copper screens and wires. Pertinent excerpts from Eeman's book "Cooperative Healing", published in the BSRF Journal, have been combined into a 20-page brochure, along with results of research and testing carried out so far by Associates. This is one way to prove objectively the existence of etheric energies ignored by orthodox science. If you want to set up a test program and can't make the Screens, BSRF can have a pair made for you, complete, \$8.50 a pair, postpaid. 20-page Brochure, \$1.50
