

Initiative which had nothing whatever to do with a defense for inbound Russian nuclear missiles. As these words are being written, Dr. Edward Teller, 'father' of the H-bomb is personally in the test tunnels of the Nevada Test Site, driving his workers and associates in the words of one, 'like a man possessed'. And well he should for Dr. Teller is a member of MJ-12 along with Dr. Kissinger, Admiral Bobby Inman and possibly Admiral Poindexter to name a few of the current members of MJ-12.

Before the "Grand Deception" was discovered and according to a meticulous plan of metered release of information to the public, several documentaries and video tapes were made. William Moore, a Burbank, California based UFO researcher who wrote "The Roswell Incident" a book published in 1980 that detailed the crash, recovery and subsequent cover-up of a UFO with 4 alien bodies has a video tape of 2 newsmen interviewing a military officer associated with MJ-12. This military officer answers questions relating to the history of MJ-12 and the cover-up, the recovery of a number of flying saucers and the existence of a live alien (one of 3 living aliens captured and designated or named EBE-1, EBE-2 and EBE-3 being held in a facility designated as YY-JI at Los Alamos, New Mexico. The only other facility of this type, which is electromagnetically secure, is at Edwards Air Force Base in Mojave, California). The officer names names as previously mentioned plus a few others: Harold Brown, Richard Helms, Gen. Vernon Walters, JPL's Dr. Lew Allen and Dr. Theodore von Karman to name a few of the current and past members of MJ-12.

The officer also relates the fact that the EBE's claim to have created Christ. The EBE's have a type of recording device that has recorded all of earth's history and can display it in the form of a hologram. This hologram can be filmed but because of the way holograms work does not come out very clear on movie film or video tape. The crucifixion of Christ on the Mount of Olives has allegedly been put on film to show the public. The EBE's claim to have created Christ, which, in view of the "Grand Deception" could be an effort to disrupt traditional values for undetermined reasons. →

Another video tape allegedly in existence is an interview with an EBE. Since EBE's communicate telepathically an Air Force colonel serves as an interpreter. Just before the recent stock market crash several newsmen including Bill Moore had been invited to Washington, D.C. to personally film the EBE in a similar type interview and distribute the film to the public. Apparently, because of the market crash, it was felt the timing was not propitious. In any case it certainly seems like an odd method to inform the public of extraterrestrials, but it would be in keeping with the actions of a panicked organization who at this point in time didn't know which way to turn.

Moore is also in possession of more Aquarius documents a few pages of which leaked out several years ago and detailed the supersecret NSA project which had been denied by them until just recently. In a letter to Senator John Glenn NSA's Director of Policy Julia B. Wetzel wrote, "Apparently there is or was an Air Force project by that name (Aquarius) which dealt with UFO's. Coincidentally,
