Dear friend:

Your interest in our investigation of Unidentified Flying Objects (flying saucers) is greatly appreciated. Since 1950 thousands of authentic UFO reports have been withheld from the public. While we believe we know the reasons, we are convinced that Americans have a right to the truth. To that end NICAP has set up a nationwide network — soon to be worldwide — for reporting UFO sightings and hidden developments.

All this information — uncensored — will be revealed to NICAP members in a monthly magazine and in confidential bulletins. The magazine will include dramatic, authentic sightings by veteran pilots and other competent witnesses; behind-the-scene stories of the Air Force secret investigation; proof of the censorship which has muzzled hundreds of pilots; the pro's and con's of the question, "Is there life on Mars?" and special articles on the UFO problem and our own space-travel plans.

In addition, NICAP will hold public hearings on claims of contacts with spacemen — to expose hoaxes and also to ferret out the facts. All this will be covered in the monthly magazine, with many other features, such as — a serialized history of UFO's with new sidelights on famous sightings; frank answers to readers' questions; and inside stories on the UFO situation.

As an Associate Member of NICAP — for an annual fee of \$7.50 — you will receive the monthly magazine and the special bulletins. You will also be privileged to join a NICAP club in your area and become part of our large reporting network. Most important of all, you will be playing a vital role — not only in aiding to end the censorship — but in helping to find all the answers to the UFO mystery.

To become a NICAP member, please forward your \$7.50 membership fee to

We hope you will join us in this factual yet fascinating work.

Sincerely yours,
