Dear Arthur:

The fundament of the enclosed Presidential Memorandum is
our BLUE MEMORANDUM in your posession.

May we ask your powerful action and Petition to your and
our President to act toward the final solution of the UFOs global
problem.

Only USA or the USSR could come in the question for action,
as the two mighty military and space exploring powers. By requesting
a positive answer and action of the United States we prevented any
kind of political and diplomatic doublecross.

Please keep us posted.

Friendly yours
