Dear Dr. Millman:

I want to express my sincere thanks to you for being so kind as to give an evening of your time in a discussion of UFO phenomena with the group of friends at my home on April 14th. I know that all present enjoyed the discussion very much and we are all grateful to you for coming.

I have written a short article covering the evening, and it is planned to include it in our newsletter "TOPSIDE" which is issued quarterly. A copy of this article is attached, as promised, for your perusal. If any of the statements attributed to you are not correct, please let me know so that I may make any corrections necessary.

Again, thank you for the interesting evening. I will be in touch with you again regarding the matter mentioned in the article.

Yours sincerely,

Arthur Bray
