Dear Major VonKeviczky,

Thank you very much for your letter of October 8, received this morning.

I would be delighted if you could come and address the House of Lords UFO Study Group. Could you manage either Tuesday, January 29, or Tuesday, February 5? We always have our Group meetings on a Tuesday, but only while the House of Lords is in session.

So far, we have had two meetings, the first was to form the Group, elect officers and discuss aims. At the second meeting we had our first Guest Speaker. He was Charles Bowen, the editor of Flying Saucer Review.

At our next meeting in November, we are being addressed by a member of ICUFON, Edwin Slade. Then, in December we are being addressed by Antonio Ribera from Spain.

Our meetings always start at five o'clock in the afternoon; and last for an hour. Could you talk, say, for 45 minutes, allowing 15 minutes for questions at the end from those present.

What I would like to suggest is that if you are in London the day before the talk, you might like to come round here - to 6 Lyall Street - and have a drink and talk about it all.

All very best wishes and looking forward to hearing from you again soon.

Sincerely,
