Ottawa, Ontario,
November 17, 1950.

Lieutenant A. R. Bray,
161 Irving Avenue,
Ottawa, Ontario.

Dear Lieutenant Bray:

This will acknowledge with thanks your observation of the bright fireball of November 2, 1950, which you sent to the Dominion Observatory. We appreciate your co-operation in writing to us as it is only by receiving observations from a large number of people that we can make a satisfactory scientific study of these objects.

Very sincerely yours,

Peter M. Millman
