Sep 30 - Oct 2. 13th International World Congress of UFO Scientists and Researchers, Wiesbaden, West Germany

The largest and most exclusive Congress of my tour, was held in the Penta Hotel, 3-400 people from 3 continents' 18 nations. When one try to ponder why the parallel promoted "UFO Congress with superlative of the Pyramiden Center" became cancelled on account of lack of interest, - we must accept that Karl Veit and his untiring wife Anny maintained DUIS e.V. and UFO NACHRICHTEN are still on the top in UFO research. Why? Their Congresses let to enlight the UFO problem on the widest scale. They were represented from the radical military scientist Major VonKeviczky through the NASA research scientist Ing. Dr. Rolf Schaffranke - Erich Von Däniken - the South African contactee Elisabeth Klarer, even the reincarnation and evacuation were by Karl L. Veit also on the floor.

Sep 9-11. CENAP DAYS Symposium, Mannheim, West Germany

I firmly believe when this clever young researchgroup will after all realize the REAL ENEMY of the non governmental UFO RESEARCH they will be accepted at the DUIS Congress as featured speakers.
