

If - the Engineers at Research
centres - were not able to prove
beyond a doubt - that it is
they have no right to their
jobs - nor call themselves
Engineers - or Scientists -

for the test is simple, it
will take me about 15 min.
to prove to my satisfaction -
and those who have faith in
my honesty - exactly what it
is - I believe the Government
does know - otherwise it would
not permit it to be thrown
in a yard -

Sincerely

Arthur
