Dear Sirs:

I last renewed my Associate membership in CUFOs on November 15, 1986, when I mailed you a personal money order drawn on the Bank of Nova Scotia in the amount of \$25.00(US). This money order bore serial number 9098178.

I have not received an International UFO Reporter since Vol. 11, No. 4 (July/August 1986). Will you please look into this matter and renew my Associate status, and also send me all back issues of IUR which I have missed.

Thank you and keep up the good work.

Yours sincerely,

Arthur Bray.
