Mr. Arthur Bray,

Dear Mr. Bray:

The only item in our files from Project Magnet is the report entitled "Project Magnet", of which you already have a copy.

With regard to Project Second Storey, there are the minutes of this committee during the short time of its existence (a little over a year). I am enclosing a Xerox copy of all the minutes of this committee.

We have just completed a move of all of our offices and labs from the Montreal Road area to the NRC building on Sussex Drive. We are not really prepared as yet to receive visitors to the UFO files, but we should be properly setup again in a few weeks if you still wish to visit.

Yours sincerely,

Allen G. McNamara,
Head,
Planetary Sciences Section.
