Dear Mr. Larsen:

On June 30, 1975, I ordered a copy of #D-17 "1973 --
Year of the Humanoids, and wrote you about it in October.
I still have not received it.

In addition, I ordered "The Air Force & the UFO" on
September 29, 1975 and have not received it either.

Your attention to this matter will be much appreciated.

Yours truly,

Arthur Bray
