Dear Dr. Hynek:

Many thanks for your letter of 22 December containing the good news about the Center for UFO Studies. Congratulations on your achievement in getting this underway.

I have today informed Canadian Press of this important development and expect a news release to be made shortly.

Please keep in mind that if there is some other way in which I can assist you by virtue of my location in Ottawa and my many contacts I will be happy to do so.

Enclosed is my cheque for ten dollars as my initial contribution to the work of the Center.

Very sincerely,

Arthur Bray

P.S. Your book "The UFO Experience" is excellent - your expose of the USAF and Colorado investigations was very capably done - a real breakthrough in my view.
