

House and then I will decide". I did not see any communication from the White House but that does not mean that none was sent.

During all the years that this has been happening the Congress and the American people have seemed to know instinctively that something was not right. When the Watergate scandal surfaced they jumped on the bandwagon and everyone thought that the agencies would be cleaned out. President Ford organized the Rockefeller Commission to do the job. At least that is what everyone thought. His real purpose was to head off the congress and keep the cover-up going. Nelson Rockefeller who headed the commission investigating the intelligence community was a member of the Council on Foreign Relations and was the one who helped Eisenhower build the MJ-12 power structure. Rockefeller uncovered only enough to keep the hounds at bay. He threw the Congress a few bones and the cover-up rolled merrily along as always.

Later Senator Church would conduct the famous Church hearings. He also was a prominent member of the Council on Foreign Relations and he only repeated the Rockefeller act. Again the cover-up prevailed. When Iran Contra came along we thought this time it had to come gushing out. Wrong again. Despite mountains of documents that pointed to drug smuggling and other hidden monsters, the cover-up sailed through. The Congress even seemed to go out of its way to duck the issues that were just under the surface. Could it be that Congress knows the whole thing and won't touch it? Are they among the select who have been picked for the Mars colony when the Earth begins to destruct?

I cannot even begin to outline the entire financial empire controlled by the CIA, the NSA, and the Council on Foreign Relations that controls and launders the money from drugs and other intelligence community proprietary ventures but I can tell you the little that I know. The amount of money is beyond anything you can imagine and is hidden in a vast network of banks and holding companies. You should first begin to look at the J. Henry Schroder Banking Corporation, the Schroder Trust Company, Schrodgers Limited (London), Helbert Wagg Holdings Limited, J. Henry Schroder - Wagg & Co. Limited, Schroder Gerbruder and Company (Germany), Schroder Munchmeyer Hengst and Company, Castle bank and its holding companies, the Asian Development Bank, and the Nugan Hand octopus of banks and holding companies.

A contingency plan was formulated by MJ-12 to throw everyone off the trail should they come close to the truth. The plan was known as MAJESTIC TWELVE. It was implemented with the release by Moore, Shandera, and Friedman of the purported genuine "Eisenhower Briefing Document". The document is a fraud. The document lists the Executive Order as #092447. A number which does not exist and will not exist for quite a long time at the present rate. Truman wrote Executive Orders
