Attention: Miss Large

Dear Miss Large:

On October 21, 1965, I wrote to the Ottawa Bureau of the Canadian Press concerning the subject of UFOs (flying saucers), and after another letter on December 6, 1965, I received a call from you and we discussed the matter at some length. You asked at that time whether I had a story for you. I replied that I did not, at that time, but that I would have one for you in about six months, if you were still interested. You asked that I contact you at my convenience.

The six months has dragged into two years, for various reasons, but after extensive research I now have an item which may be of interest to you, the nature of which is outlined in the attached papers.

My book will be published on December 1, 1967.

Yours sincerely,

A.R. BRAY
