P.F.B. - Bennewitz here

W.S. - Hello this is Steinman again

P.F.B. - Hi Bill

W.S. - Paul, I called in order to find out just exactly what you and Gabe discovered, Sunday, during the Saucer Base fly-over.

P.F.B. - I've been up there about every 2 weeks

W.S. - Every Two weeks?

P.F.B. - Just about. Yes, it's very active up there.

W.S. - Did Valdez explain my theory to you.

P.F.B. - No, he didn't go into that, he did say that you talked with him - what about your theory.

W.S. - I thought maybe over the last 35 to 40 years a foreign intelligence group has been penetrating our area, posing as "extraterrestrials" utilizing some very advanced technology. Maybe their ultimate motive is to establish bases, while posing as "extraterrestrials", moving in and eventually take over our government
