Mr. Wido Hoville,

Dollard-des-Ormeaux,
P.Q.

Dear Wido:

In one of our telephone conversations some time ago you referred to the article by R.B. Leeming in the Monenco publication, titled "Encounter with a UFO". You were wondering about the truth of this article.

In reviewing some of my files the other day I came across my own correspondence of 1968 on this matter. I have enclosed a copy of the reply I received from Mr. Leeming, for your information.

Does this letter contradict any information you may have on this matter?

Yours sincerely,

Arthur Bray
