Dear Mr. Hellyer:

I am writing further to my letters of March 15, 1976, and May 21, 1976, and your kind reply of May 27, 1976 concerning UFOs, in particular the Suffield Experimental Station.

I am wondering if it is now possible for you to locate your file on this matter. My research has now reached the stage where it is almost complete for my present purposes, with the exception of the facts concerning the reported "landing base" at Suffield.

If you are now able to assist me in this matter, I will be most grateful to you.

Yours sincerely,

Arthur Bray.
