CENTER FOR UFO STUDIES
P.O. BOX 11 — NORTHFIELD, ILLINOIS 60093

J. ALLEN HYNEK
DIRECTOR

May 15, 1976

Dear Friends,

Enclosed is a questionnaire from George Eberhart, a graduate student at the University of Chicago. I have every reason to believe that Mr. Eberhart is mounting a serious and necessary project. I feel that by reading his questionnaire, you will see that he has devoted a great deal of time in preliminary research.

I urge you take time from your busy schedules to complete this form and return it to George M. Eberhart, PO Box 53257, Chicago, IL 60653. He notes that it need not be signed. However, should you be interested in receiving a copy of his full results, I suggest you send, separately, a request to the Center at our above address, marked clearly "UFO INFORMATION USE SURVEY RESULTS." In this way, your response can be kept confidential.

It is our hope that the results will not only answer the given questions, but will also indicate to the Center for UFO Studies what types of information are necessary, and what changes we can make toward information dissemination, which will help the researcher in the field.

A summary of results will appear in the Center's News Bulletin, when the project is completed. Please respond as soon as possible, and by July 15th, at the latest, at Mr. Eberhart's request.

Sincerely,

J. Allen Hynek
