Dear Henry:

Thank you for your letter of August 16th. I was pleased to be invited to speak at the Symposium and hope my contribution may assist in raising the general level of ufology.

As for any further financial reimbursement, thanks anyway, but I have already been treated very fairly. The only expense I had, apart from what you have already reimbursed me, was my gas for the trip by car. I would prefer that any funds left over, which you might have channelled in my direction to cover this expense, remain with MUFON for UFO research.

Yours sincerely,

Arthur Bray.
