③ Notes on research performed by
James McCamble into Bennewitz.

Dr. Paul F. Bennewitz claims that
this activity going on in North Western
New Mexico between "Alien Beings"
and "Segments of a Highly Secret
U.S. Intelligence Group" is Part of
"Project Aquarius."

If you can't find an extra copy
of Cathie's book, Harmonic 33, please
let me know.

I still believe that your father
probably gained access to the
complete recovered flying Saucers
in U.S. Custody (Per that 9-15-50
interview that he had with Dr. Robert
I. Sarbacher).

James, can you obtain some
of that Saucer material for me
from that Huge St. Lawrence Chunk?
