J. ALLEN HYNEK, DIRECTOR
PROFESSOR OF ASTRONOMY
NORTHWESTERN UNIVERSITY

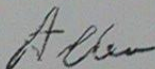

June 1, 1975

Mrs. Ann Druffel
257 Sycamore Glen
Pasadena, CA 91105

Dear Ann,

Thank you very much for the "declassified" Robertson Report and your excellent descriptive narrative of the history of the document. The Center for UFO Studies is pleased to now be able to offer reprints of this material as part of our continuing program of public education. Your outstanding efforts in this situation, as well as your quality investigative work is a solid contribution to the serious study of the UFO problem.

Best regards,

Allen
