Dear Sir:

Thank you for publishing my letter of April 16, in your September issue. It was certainly the appropriate issue for my letter to appear in. The article on UFOs was excellent and was well worthy of a deviation from the normal editorial policy.

As a matter of interest, I have attached a review of my book which recently appeared in the Ottawa Citizen, which may give you some idea of how at least one knowledgeable person regards this particular work.

I forwarded a copy of my book to you in the event you may see your way clear to having it reviewed for your magazine.

Yours sincerely,

Arthur Bray
