Dear Mr. Bray:

Thank you very much for the metal sample which I have just received. Unfortunately, I am about to leave on a six week vacation, and therefore there will be some delay before I am able to make the results of my analysis known to you. I hope you will bear with me.

Enclosed please find the sum of \$3.00. Would you kindly forward a paperback copy of your book Science, the Public and the UFO. I am sure it will make a valuable addition to my small library of UFO material. → 4FO 341

Yours very truly,

Craig Sitter
