AUG 25 1983

Dear Art:

I just received from our Representant: Mr. C. Gruen the enclosed issue of the Defense Ministry of the Federal Republic of Austria.

The statement on the UFO problem totally covers those goals what WE ARE AIMING.

My personal meeting with the Austrian military authorities and especially with Dr. Kurt Waldheim - I believe will lead to a positive solution of the problem.

I keep you posted from Europe.

Kindest and friendliest regards

Your

Colman

My Address in Europe up to Nov 1, 1983
