

40 Beacham Crescent
Agincourt, Ont.
Dec. 19/71.

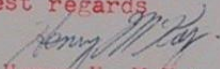

Dear Arthur,

My thanks for your prompt mail-
-ing of the metallic sample report, an inter-
-esting but unrewarding analysis. To many,
such as yourself, who have devoted much time
and effort in research on this particular
project the results would be disappointing.
Perseverance my friend, another challenging
year on the horizon.

Speaking of horizons-----The New Hor-
izons Foundation under the directorship of
A.R.G. Owen, author of numerous books---Hys-
teria, Hypnosis and Healing, The work of J.M.
Charcot (Dobson), Polymorphisms With Linked
Loci, Co-Author V. Arunachalam (Chapman & Hall)
Science and the Spook, A.R.G. Owen & Sims (Garr-
et) and also CAN WE EXPLAIN THE POLTERGEIST?
A.R.G. OWEN (CAMBRIDGE UNIVERSITY) has confirm-
-ed as guest speaker J. Allen Hynek the ev-
-ening of Jan. 26/72 a Wed. at 8pm. The lecture
title is "FLYING SAUCERS, UNIDENTIFIED FLY-
-ING OBJECTS, AND RELATED PROBLEMS". All are
welcome at Toronto's St. Paul's Church, Bloor
and Jarvis St. \$2.00 per visitor. Please pass
the word around, could you manage to work
this night in with your itinerary?????

With a "JOYOUS NOEL AND A HAPPY NEW YEAR"
to you and yours, I bid you fond adieu.

Best regards

Henry H. McKay

Shelburne Subway Station on Bloor
on Bloor St Between Shelburne & Yonge
Stations.
