Dear Carol:

I was invited to be a contributing author for an encyclopedia of UFOs to be published by Doubleday, and one of the articles I prepared was on our chunk of metal. (copy attached).

As we worked together to quite some extent on this matter and as you were so kind in providing me with so much documentation for my file, I thought you would be interested in reading my article.

Incidentally, if you come across a spare copy of Topside No. 19, I will be most grateful if you could let me have it. That is the only one I now lack in my collection.

I do hope you had a pleasant trip to England and that you are keeping well.

Kindest regards,
