Dear Art:

On account of the year's end closing at the Concordia University on his Faculty ^{son} suggested me to come over at the beginning of January. This month will be slow down for him and we could visit you at Ottawa.

It is better, as far I will receive Michael Hesemann 85 pages Memorandum to the West German government and Bundestag Scientific Institutions etc. I am expecting it every day.

Two weeks ago I received Major Hans C. Petersen Memorandum addressed to the Danish Government (Prime Minister) for the same reason to establish with the nations together a UFO Authority. He referred the initiative to Denmark and the Scandinavian States.

We could be talked over your action at the Canadian ^{govt.} On March comes over from Germany Mr. Hesemann, because in 1983, Major Petersen and me will start a UFO CRUSADE for the official establishment a UFO Authority. It will be held around Germany, Switzerland, Austria, Spain, Denmark, Sweden, Finland. (Italy is recently in consideration).

Please do not be disappointed we will come, on the next month.
May I express my kindest regard to both of you
