March 20, 1976.

Mr. Craig Sitter,
24 Church Street, East,
Hagersville, Ontario.

Dear Mr. Sitter:

I have been wondering if you ever received a report on the analysis of the metal sample I sent to you back in 1970. Your last letter, dated December 8, 1970, indicated that I would receive a copy in due course.

I look forward to hearing from you.

Yours sincerely,

Arthur Bray.
