

Some questions

① Do you have all Mr. Smith's files and
No correspondence? How much material did he leave?

② Do you have any material on Dr. Garland,
No Dr. Wilson, Dr. Whit, or John H. Thompson who
are described by Keyhoe as working with Smith. I
have nothing.

③ Do you know whether or where the correspondence
between Smith and Keyhoe, Admiral Knowles or Mrs
Whitt Swan is? I have much of the correspondence
with Keyhoe, but nothing pertaining to the
material x Mrs. Swan.

④ Do you have copies of Topside?
Yes
Hope you find something of interest in all
this.

Best wishes.
