

we were spiritually unable to handle the technology which we then possessed. They believed that we would use any new technology to destroy each other. This race stated that we were on a path of self destruction and we must stop killing each other, stop polluting the Earth, stop raping the Earth's natural resources, and learn to live in harmony. These terms were met with extreme suspicion, especially the major condition of nuclear disarmament. It was believed that meeting that condition would leave us helpless in the face of an obvious alien threat. We also had nothing in history to help with the decision. Nuclear disarmament was not considered to be within the best interest of the United States. The overtures were rejected.

Later in 1954 the race of large nosed Gray Aliens which had been orbiting the Earth landed at Holloman Air Force Base. A basic agreement was reached. This race identified themselves as originating from a Planet around a red star in the Constellation of Orion which we called Betelgeuse. They stated that their planet was dying and that at some unknown future time they would no longer be able to survive there. This led to a second landing at Edwards Air Force Base. The historical event had been planned in advance and details of the treaty had been agreed upon. Eisenhower arranged to be in Palm Springs on vacation. On the appointed day the President was spirited away to the base and the excuse was given to the press that he was visiting a dentist.

President Eisenhower met with the aliens and a formal treaty between the Alien Nation and the United States of America was signed. We then received our first Alien Ambassador from outer space. His name and title was His "Omnipotent Highness Krill", pronounced Krill. In the American tradition of disdain for royal titles he was secretly called "Original Hostage Krill". You should know that the Alien flag is known as the "Trilateral Insignia". It is displayed on their craft and worn on their uniforms. Both of these landings and the second meeting were filmed. The films exist today.

The treaty stated: The aliens would not interfere in our affairs and we would not interfere in theirs. We would keep their presence on earth a secret. They would furnish us with advanced technology and would help us in our technological development. They would not make any treaty with any other earth nation. They could abduct humans on a limited and periodic basis for the purpose of medical examination and monitoring of our development with the stipulation that the humans would not be harmed, would be returned to their point of abduction, that the humans would have no memory of the event, and that the Alien nation would furnish MJ-12 with a list of all human contacts and abductees on a regularly scheduled basis. It was agreed that each nation would receive the Ambassador of the other for as long as the treaty remained in force. It was further agreed that the Alien nation and the United States would exchange 16 personnel each to the other with the purpose of learning, each of the other.
