slide A-16 - a UFO - taken by American engineer in Brazil
- made flat 90° turn

slide A-24 - a UFO - Brazilian Navy ship Almirante Saldanha
16 Jan '58.

slide OFF The UFO enigma constitutes a problem
in four major areas:

- Science

- Intelligence gathering

- the military

(these latter two are closely related)

- political.

I will deal now with all four of these areas,
