Dear Art,

Enclosed is a copy of
the London Ont Free Press July 17.

At present I have no further in-
formation but have feelers out,
will keep you posted.

My "thanks" to you for your clipping
from the Ottawa Citizen & memories
of a pleasant visit.

There have been no local incidents
to report other than another reject
ion slip on my request for inform-
ation from W. V. V. A. P. Project.

Have a good summer,

Regards

Hank.
