

the ultimate position of Supreme Allied Commander during the war. A post which carried 5 stars along with it. This President was General of the Army Dwight David Eisenhower.

During his first year in office, 1953, at least 10 more crashed discs were recovered along with 26 dead and 4 live aliens. Of the 10, 4 were found in Arizona, 2 in Texas, 1 in New Mexico, 1 in Louisiana, 1 in Montana, and 1 in South Africa. There were hundreds of sightings.

Eisenhower knew that he had to wrestle and beat the alien problem. He knew that he could not do it by revealing the secret to the Congress. Early in 1953 the new President turned to his friend and fellow member of the Council on Foreign Relations Nelson Rockefeller for help with the alien problem. Eisenhower and Rockefeller began planning the secret structure of alien task supervision which was to become a reality within 1 year. The idea for MJ-12 was thus born. It was Nelson's Uncle Winthrop Aldrich who had been crucial in convincing Eisenhower to run for President. The whole Rockefeller family and with them the Rockefeller empire had solidly backed Ike. Asking Rockefeller for help with the alien problem was to be the biggest mistake Eisenhower ever made for the future of the United States and most probably all of humanity.

Within 1 week of Eisenhower's election he had appointed Nelson Rockefeller chairman of a Presidential Advisory Committee on Government Organization. Rockefeller was responsible for planning the reorganization of the government. New Deal programs went into 1 single Cabinet position called the Department of Health, Education, and Welfare. When the Congress approved the new Cabinet position in April of 1953, Nelson was named to the post of Undersecretary to Oveta Culp Hobby.

In 1953 Astronomers discovered large objects in space which were moving toward the Earth. It was first believed that they were asteroids. Later evidence proved that the objects could only be Spaceships. Project Sigma intercepted alien radio communications. When the objects reached the Earth they took up a very high orbit around the Equator. There were several huge ships, and their actual intent was unknown. Project Sigma, and a new project, Plato, through radio communications using the computer binary language, was able to arrange a landing that resulted in face to face contact with alien beings from another planet. Project Plato was tasked with establishing diplomatic relations with this race of space aliens.

In the meantime a race of human looking aliens contacted the U.S. Government. This alien group warned us against the aliens that were orbiting the Equator and offered to help us with our spiritual development. They demanded that we dismantle and destroy our nuclear weapons as the major condition. They refused to exchange technology citing that
