Ottawa, Ont. K2C 2H8, CANADA

Dear Mr. Bray,

Thank you for your order, I have shipped all three items today. I am sorry to say that the JOURNAL is still not into print, although it is very close now. I also am slow in getting my new catalog fully organized, and so have not yet placed an order for your book, although I still intend to and am drawing closer to that moment also.

With best wishes,

A handwritten signature in cursive script that reads "Mimi Hynek".

(Mrs.) Mimi Hynek
