Dear Mr. Bray,

In reply to your letter of November 16, 1964, I would
advise that at no time has this Department carried out research
in the field of unidentified flying objects.

Not so!

The late Mr. W.B. Smith, an employee of this
Department, who died in December, 1962, however, did study unidentified
flying objects as a personal hobby. The Department did not take part
in any of his research work nor did Mr. Smith provide the Department
with any useful information arising out of his work.

Yours truly,

(F.G. Nixon)
Director,
Telecommunications and
Electronics Branch.
