A Word about Membership...

Your membership in NICAP means a lot more than receiving a current newsletter and being among the best informed people on UFOs. Through your support, NICAP is able to conduct investigations, develop documentation, provide information to the news media, and work with scientists to help unravel the UFO mystery. Part of your dues payment goes to each of these functions, and to other activities that help NICAP meet its objectives. So when you renew your membership, remember: you're making an important contribution to an organization with a big job to do. And without you, we couldn't do it.
