Dear Sir:

I read with great interest your announcement in the May/June Bulletin of the forthcoming UFO symposium to be held at the U. of Arizona. I wonder if the proceedings will be available afterwards? A great many people will, I am sure, be anxious to obtain a copy of the proceedings, just as I am. I do hope this can be arranged.

With regard to your inquiry about members who have contacts with the press, TV, or radio, I have attached a resume of my own contacts gained through numerous interviews, etc.

Yours sincerely,

Arthur Bray
