mile.

World Day of Prayer. - across country "not afraid when I got home"

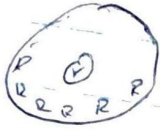

- S. board pa Morris home at 11:30

he 2 1/2 out of Lorrain "suppose it's a UFO"

"just like the sun had come out"

see shadow of every tree

she wanted to roll the window down.
4 day headache "don't hit the bridge"
lane at Klassens lifted shot off toward Brunkhild

"see shadow of hydro poles
followed us"
it went to Brunkhild turned light
come I of H. came back over us
"go right across the highway"
hummingbird -
terrific speed Lane between Spuling
on river and /

ooooo
← goes off
↓ goes to star

2 times over bush twice before "fan that can would stop"
river road because of two houses
- to children your going to see them
[Peace Valley School] Superintendent holding a
school - 167

2323

(Feb 20) S. Pauls Domain
reflection off light - off snow ice sun yellowish
made Phyllis let door windows frozen.
"I've got to see this" up to Recty's
from 4 out Sanford to bridge 4 to 5 women
like landed - plane?

eyes hurts "days, even weeks"
"just over if overused"
orange above poles 1/2 mile
tower to Brunkhild
high fast
10 years

[interested] 7 miles out of Starbuck
small lights - couple months rising
