Mr. Arthur Bray,
Bray Book Service,
PO Box 5051, Station F,
Ottawa, Ontario, Canada.

Dear Mr. Bray,

With reference to my last letter of 22nd March I would like you to know that the copy of your book arrived safely two days ago. So far I had only a quick glance at it, but in fact our president, Dr. Lindtner who also looked at it last night decided to use some of it for our lectures, specially Canadian Sightings are here practically unknown.

I showed the copy also at our committee meeting and at least eight copies are required. Two of them I would like in hardcover for our library, the other six in paperback.

I would forward you bank-check on receipt of goods, as reference I just would like to mention that I deal similarly with Mount Palomar and many others and hope that is also right with you. Any trade-price we get goes to the benefit of our Society similarly with other publishers and trust that is in order with you. Duplantier, Whritenour and many others know us for years now by letters.

Copy of newsletter No. 19 out last week is attached. You are on our mailing list for all publications from now on and hope you find them interesting.

Looking forward to receive those eight copies, I feel certain there will be a sale for more of them, I take the one received in two weeks time to a meeting of all Australian UFO-Societies in Canberra, showing it to the various delegates.

Hope my suggestions find your approval, I am with best regards

Yours sincerely

William E. MOSER, J.P.,
Honorary Secretary.
