

All letters in reply to inquiries on Project Magnet insist that Smith's project was "investigation in the field of geo-magnetics - for the purpose of studying magnetic phenomena, particularly those phenomena resulting from unusual boundary conditions in the basic electro-magnetic theory."

Vol. 4 - active (current) from 1 March 1970

Subject - "Telecommunications/DOC/Operations/General

Sub-Subject - Telecommunications Space Research.

File Title - Unidentified Flying Objects (including Outer Space Travel)

This volume contains nothing new (only letters of inquiry and standard replies), except that "DOC now has responsibility for the Shirley Bay and related UFO files, since 1964"
