Hi Art,

I have enclosed a postal money order in the sum of \$13.95 for your hard cover The UFO Connection, please autograph & rush return.

Any chance the Freedom of Information Act will uncover worthy data on our mutual interests?

I have proposed the Mutual UFO Symposium be held in Toronto sometime in 1982. Reserve a week holiday and any suggestions or comments would be much appreciated.

Very little activity being reported over the news wires or on the local scene. I wonder if there is any undercurrent of resistance by the editorial powers in the news media.

Keep up the good work & good health to you & yours.

Regards

Henry M. Kay
