

This file contains the absolute true information regarding the alien presence on earth and the U.S. government's involvement with the aliens. This file contains only the information as I saw it and only my information. It does not contain any information from any other source.

It was necessary for me to issue the information previous to this release in a manner which would deceive the government until someone was able to independently confirm my identity, my employment, my service record, my intelligence background, the identity of the person to which I gave the information in 1972, his acknowledgement of the information and when it was given to him, that the information is correct, that I have not seen him since 1974, and that I have not communicated with him in any form since 1976. This was necessary because this file is my death warrant if MJ-12 continues to operate in a manner consistent with its history.

All in the last paragraph has been independently verified by 2 different people who have no connection with each other. One is a journalist with the Las Vegas Bulletin, a newspaper. The original information that I first released was not much different than what you will find here. Only some names were different and just enough (I hoped) to convince MJ-12 and MAJ1 that I was not a threat long enough to have independent verification of the facts before I risked death. I wish to make it absolutely clear that I do not consider myself a hero. I believe that most of you would do the same thing if you knew the truth. I gave an oath that I would uphold and protect the Constitution of the United States of America and I take that oath very seriously. I am doing no more now than I did when I fought in Vietnam. I am doing my duty.

Please make copies of this file and send it to your Congressman, your Senator, the Attorney General of the United States, and to the Supreme Court. Send it also to everyone you know. Send anything else you may have which tends to support the information.

I, Milton William Cooper, 1311 S. Highland #205, Fullerton, California 92632, (714) 680-8537, do solemnly swear that the information contained in this file is true and correct to the best of my knowledge. I swear that I saw this information in 1972 in the performance of my duties as a member of the Intelligence Briefing Team of the Commander in Chief of the Pacific Fleet as a Petty Officer in the U.S. Navy. I swear that I underwent hypnotic regression in order to make the information as accurate as possible. I swear that I can and will take a lie detector test or any other test of any reputable persons choosing in order to confirm this information. I swear that I can and will undergo hypnotic regression conducted by any reputable and qualified doctor of any reputable persons choosing in order to confirm this information. I will not, however, submit to any test or hypnosis by anyone who is now or has ever been connected with the government in any capacity for obvious reasons.

The following is a brief listing of everything that I personally saw and know from 1972, and DOES NOT contain any input from any other source whatsoever.

MAJESTY was listed as the code word for the President of the United States for communications concerning this information.

OPERATION MAJORITY is the name of the operation

Memorandum for Mr. Tolson

Mr. Tolson: Also discussed this matter with Colonel L. F. Versey of CID. Colonel Versey indicated that it was his attitude that inasmuch as it has been established that the flying disks are not the result of any army or navy experiment, the matter is of interest to the FBI. He stated that he was of the opinion that the Bureau, if at all possible, should accede to General Schulgen's request.

ADDENDUM

I would recommend that we advise the Army that the Bureau does not believe it should go into these investigations, it being noted that a great bulk of these alleged discs reported found have been pranks. It is not believed that the Bureau would accomplish anything by going into these investigations.

(Clyde Tolson)

I think we should do this

(J. Edgar Hoover)

I would do it but before agreeing to it we must insist upon full access to discs recovered. For instance in the case the Army snatched it & would not let me back it for serious examination.

Released under the Freedom of Information Act, this document shows the correspondence between two FBI agents and former Agency Director J. Edgar Hoover concerning a UFO crash in Louisiana in the late 1940s.

GRUDGE Contains 16 volumes of documented information collected from the beginning of the United States investigation of Unidentified Flying Objects (UFOs) and identified Alien Crafts (IAC). The project was funded by CIA confidential funds (non-appropriated). The purpose of project GRUDGE was to collect all scientific, technological, medical and intelligence information from UFO/IAC sightings and contacts with alien life forms. This orderly file of collected information has been used to advance the United States space program.

MJ-12 is the name of the secret control group. President Eisenhower commissioned a secret society known as THE JASON SOCIETY (JASON SCHOLARS) under the leadership of the Director of Central Intelligence (Allen Welsh Dulles), Dr. Zbigniew Brzezinski (President of the Trilateral Commission from 1973 until 1976), and Dr. Henry Kissinger (leader of the scientific effort), to sift through all the facts, evidence, technology, lies and deception and find the truth of the alien question. The society was made up of 32 of the most prominent men in the country and the top 12 members were designated MJ-12. MJ-12 has total control of everything. They are designated by the code J-1, J-2, J-3, etc all the way through the members of the Jason Society. The director of Central Intelligence was appointed J-1 and is the Director of MJ-12. MJ-12 is responsible only to the President. The cost of funding the alien connected projects is higher than anything you can imagine. MJ-12
