Gerald Light bio

Gerald Light, Biographical and other data

”Gerald ”Dr. Kappa” Light was a devoted student of Gurdjieff, and Gurdjieff was one of Aghartas free agents in Europé during the buildup of the Nazi power in the 1920s and 30s. Before World War he was at the court of the Dalai Lama in Lhassa, instructing that holy? Man in the arts of black magic. In view of all this I´m inclined to suspect that Light´s Uranian-Aquarian was really a Plutonian trying to direct the world crisis to His own purposes, and, through the Nazis and other extremist groups, abort the Second Coming of the Christ and the glorious New Age.” Round Robin, vol. 27, no. 6, Nov-Dec. 1971, p. 33.

”Gerald Light, better known to our readers as Dr. Kappa, will be remembered for his singular and unhappy adventure with Etherian visitors (described by us three years ago – Transcripts IV and V, 1950. He is a man of rare gifts and unquestionable integrity, and in my opinion a very great occultist.” Round Robin, vol. 9, no. 5, Jan-Feb. 1954.
