SECURITY AFFIDAVIT

IMPORTANT NOTICE TO ALL EMPLOYEES

It is a violation of Title 50, U. S. Code Annotated, generally referred to as the:

ESPIONAGE ACT

To wrongfully make, take or have in possession any plan, model document or instrument connected with the national defense or to deliver or transmit any such a thing to a person not entitled to receive it or, through gross negligence, permit it to be lost or destroyed or fail to deliver it upon demand to any officer or employee of the United States entitled to receive it.

Penalty ---- Two years imprisonment and $10,000 fine.

To deliver or transmit any plan, model, document or instrument or information connected or relating to the National Defense to any officer or agent of a foreign government. Penalty ---- In time of WAR -- Death or 30 years imprisonment.

SABOTAGE

It is a violation of Title 50, U. S. Code to wilfully injure or destroy national defense material, premises or utilities; or to wrongfully make in a defective manner any national defense material or any tool or thing used in the making or repairing of any national defense material. PENALTY -- $10,000 fine and ten years imprisonment.

National defense material includes all material of whatever description and any part or ingredient thereof, intended for use of the United States in connection with National Defense.

National defense premises include all places wherein national defense material is produced, stored, or handled, and all forts, arsenals, Navy Yards, Camps, Prisons, or other Military or Naval Stations of the United States.

National defense utilities include all means of transportation whatever, wherever, whereby national defense materials or troops of the United States are being or may be transported within the United States or upon the seas and all fixtures and facilities used to supply water, light, heat, power, or facilities of communication to any National Defense premises or to the Military or Naval forces of the United States.
