Subject: Report of Flying Discs

3. Narrative: As reported by Lieutenant [REDACTED] who was co-pilot for 1st Lieutenant [REDACTED], AO-00555, 1st Strategic Support Squadron, Biggs Air Force Base, Texas; flying from left seat of C-54, number 42-72691 enroute to this base from Spokane, Washington.

The unidentified objects were sighted by Lieutenant [REDACTED] only, who sighted the objects under the nose of the aircraft on a head-on approach curving slightly to their own left. The C-54 was at 11,000 feet altitude on a true heading of 157° with a ground speed of 186 knots. There was no fatigue among crew members.

Elapsed time of visual sighting was for a period of about three (3) seconds as the objects went under line of sight beneath the aircraft. Lieutenant [REDACTED] called out that he had sighted these objects; with immediate scanning by other crew members with negative results.

FOR THE COMMANDING OFFICER:

PAUL F. HUBBARD
Captain, USAF
Adjutant
