Spinning right to left, stood on end, and then scooted off at high speed.

11. COMMENTS

On 27 June 1952 Mrs [redacted]

of [redacted] Bronx, NY, telephone

[redacted] reported to Capt Hausman

of the Public Information Office, Dept. of Defense, in New York,

telephone Rector 2-9100, extension 260, that

she, her husband, two children and a

neighbor had seen a flying saucer. Her

conclusion that the object was a flying

saucer was stimulated by her neighbors

who, after hearing her experience, said

she had seen a flying saucer.

Capt Hausman was contacted by telephone and

gave a brief description of the incident. Mrs

Oppenheimer was contacted and gave

the following description.

While reclining on the roof of her

apartment building early Friday morning &

June 27 Mrs [redacted] observed a

round, disc-shaped object hovering in

the direction of Laguardia Airport. The

object then stood up on end and scooted off

at terrific speed toward downtown Manhatten.

It was a thick object with a dull gray

light around it. When the object disappeared

it did so quite suddenly. Mrs [redacted] a housewife and has completed one year of high school. The other observers were
