11. BRIEF SUMMARY OF REPORT

12. COMMENTS

Round silver object remained motionless for 30 min.. Some sources claim object had two lights. Descriptions vary.

1. Although this sighting takes place 1 hr. & 15 min. after a scheduled release, the following indicates strongly the object is a balloon.

- a. Round & silver colored
- b. Apparently motionless
- c. Sudden disappearance after 30 min. probably means the balloon burst at altitude.

2. Possibly unscheduled release.
