Newcastle, Indiana

17 December 1952

I. Description of Incident

From 2120 to 2122 CST a visual sighting was made from the ground by members of the Ground Observer's Corps on duty at Newcastle. They sighted a round and flat object of orange color disappearing normally into the distance from east to west.

II. Discussion of Incident

This report is too incomplete for even preliminary interpretation.

III. Conclusion

Insufficient information.
