AIR INTELLIGENCE INFORMATION REPORT

Wing Intelligence Office Scott AFB Illinois	Report No. AIB WFOB-1-57	1 2 3 4
--	-----------------------------	------------------

APPROVED:

John M. White, Jr.
 JOHN M. WHITE, JR.
 Colonel USAF
 Commander

COMMENTS of Approving Officer:

Due to the length of observation and the fact that there was only one observer, a follow-up field investigation is not considered feasible. The meager information contained however, indicated the possibility of a search light on calibration.

John
